

UNITED WAY
Southern Maine

WOMEN UNITED

ARE YOU A COMMUNITY-DRIVEN INDIVIDUAL LOOKING TO GIVE BACK IN SOUTHERN MAINE WHILE CONNECTING WITH PEERS?

JOIN WOMEN UNITED

Women United brings together community-driven individuals to connect with each other and advance single mothers and their children in Southern Maine.

Through philanthropy, volunteerism, and advocacy, we are leading critical work that positively influences single mothers and their ability to meet basic needs, educate children, and achieve optimal health and well-being.

GIVING LEVELS + BENEFITS

Membership in Women United is based upon an annual contribution. All membership levels get access to regular newsletters, volunteer and advocacy opportunities, and invitations to the fall kick-off and spring social events. Join at womenunitedsm.org/join-us.

THANK YOU TO OUR SPONSORS:

WOMEN UNITED PROGRAM PARTNERS

Anchoring Youth to Succeed - Boys & Girls Clubs of Southern Maine and A Company of Girls

Afterschool program with wraparound services for Project WIN children and neighborhood youth.

Family/Women and Children's Food Programs - Freeport Community Services

Addresses food insecurity for single mothers and others with a food pantry and out-of-school meals for children.

MomCore - York County Community Action Corporation

Targeted coaching program focused on improving financial knowledge and household stability.

We invest donor contributions into local programs that advance single mothers and their families through comprehensive support and move them toward financial stability. Our member-led Investment Committee determines where investments will have the most impact.

Mothers Thriving - New Ventures Maine

Flexible six-session class series, group support, and coaching to build confidence and skills.

Project HOME - Quality Housing Coalition

Direct cash assistance, individualized skill-building, and peer-to-peer support.

Project WIN (Women in Neighborhoods) - The Opportunity Alliance

Gathers single mothers in a cohort and provides an evidence-based coaching model to help them identify and pursue goals for their families.

69%

OF SINGLE WOMEN WITH CHILDREN IN SOUTHERN MAINE ARE STRUGGLING TO AFFORD THEIR BASIC NEEDS.

\$1.2M+

INVESTED IN PROGRAMS THAT ADVANCE SINGLE MOTHERS AND THEIR CHILDREN IN SOUTHERN MAINE.
